

RESOLUTION NO. 4417

RESOLUTION APPROVING DAM FAILURE
EVACUATION PLAN

WHEREAS, Section 8589.5(a) of the Government Code requires the owner of any dam to submit inundation maps showing the areas of potential flooding in the event of sudden ~~or~~ total failure of any dam: and

WHEREAS, based upon a review of the inundation maps prepared and submitted, the Office of Emergency Services of the State of California designates areas within which death or personal injury would, in its determination, result from the partial or total failure of a dam; and

WHEREAS, the counties and cities within any area of potential death or personal injury from dam failure are required by Section 8589.5(b) of the Government Code to adopt emergency procedures for the evacuation and control of populated areas below such dams; and

WHEREAS, a proposed plan for the evacuation and control of effected populated areas in San Joaquin County and in the Cities of Ripon, Lodi, Tracy, Manteca, Stockton, and Escalon has been submitted to and approved by the Office of Emergency Services of the State of California:

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council hereby adopts that document entitled Dam Failure Evacuation Plan, a copy of which is on file in the office of the City Clerk as a supplement to the City of Lodi Emergency Operations Plan to be utilized to mobilize the resources of this City in case of dam failure.
